

**CLAUDIO TIRIBELLI, MD PhD**  
*Curriculum Vitae*

1. Born in Venice, Italy, October 6, 1946
2. Degree in Medicine, University of Padova, Italy, July 1971, *Summa cum Laude*
3. Post-Doctoral Degree, Gastroenterology, University of Trieste, Italy, July 1975, *Summa cum Laude*
4. Married with Rita Russo, one son Mario
5. Who is Who in: Who's Who in the World, Who's Who in Medicine and Healthcare, Who's Who in Science and Engineering.

Teaching & Academic Positions:

1. 1975-80 Research Clinical Fellow, University of Trieste
2. 1980-85 Assistant Professor of Medicine, Department of Medicine, University of Trieste
3. 1985-1988 Associate Professor of Medicine, Department of Medicine, University of Trieste (Gastroenterology)
4. 1989-2008: Professor of Medicine (Biochemistry Applied to Medicine) University of Trieste
5. 2008-: Professor of Gastroenterology, University of Trieste
6. 2001-present: Director of the Liver Research Center of Trieste.
7. 2010-present: Director of the Liver Clinical Center, Teaching Hospital, Trieste, Italy
8. 2013-2017: Head of the Medical Department, Teaching Hospital, Trieste, Italy
9. November 2017-: retired
10. 2011: Laurea Honoris Causa, Universidad Favaloro, Buenos Aires, Argentina
11. 2012: Laurea Honoris Causa, Universidad Nacional de Rosario, Rosario, Argentina

Sabbatical Periods:

- 1: Visiting Research Scientist, Department of Pharmacology, State University of Groningen, Groningen, The Netherlands
- 2: 1998-99: Visiting Professor, Department of Chemistry/Life Sciences, Polytechnic University, Brooklyn, NY, USA
- 3: 1995-2000, Visiting Professor and Faculty Member, Division of Clinical Pharmacology, Department of Medicine, University of Toronto, Toronto, Ontario, Canada

Memberships:

- a. European Association for the Study of the Liver
- b. American Association for the Study of Liver Diseases
- c. International Association for the Study of the Liver
- d. Italian Association of Gastroenterology
- e. Associazione Italiana Studio Fegato
- f. Italian Society of Biochemistry
- g. Italian Society Clinical Chemistry & Biochemistry
- h. Asian Pacific Association Study Liver

Editorial and International Activities:

- i. Member of the Editorial Board of Journal of Hepatology and Annals of Hepatology
- ii. Associate Editor BBC Research Notes
- iii. Regular reviewer for several international journals
- iv. Referee for the Scientific Committee of Third World Academy of Sciences
- v. 1983-1985: Secretary European Association for the Study of the Liver (EASL)
- vi. 1986-1990: Corresponding Membership Secretary of the European Association for the Study of the Liver (EASL)
- vii. 1986-1990: Member of the Governing Committee of the International Association for the Study of the Liver (IASL)
- viii. 1992-2001: Secretary of the Educational Council of the European Association for the Study of the Liver (EASL)
- ix. 2000-: Member of the Editorial Academy of the International Journal of

- Molecular Medicine.
- |       |   |            |   |
|-------|---|------------|---|
| x.    | 2001- : Member of the International Advisory Committee of Revista Medica de Chile | 2002-2006. | PI for the start up grant for the Liver Research Center                         |
| xi.   | 2002- : Associate Editor, Annals of Hepatology                                    | 2005-2007: | PI of the molecular mechanisms of bilirubin-induced neuronal damage (Telethon). |
| xii.  | 2010: Associate Editor, BMC GE  |            |   |
| xiii. | 2010-: Associate editor BMC Research Notes  | 2007-2009  | PI of the national grant on bilirubin toxicity                                  |

International Teaching Activities:

- |  |           |   |
|--|-----------|---|
| • Member the Faculty of several International Courses in Biochemistry. Molecular Medicine and Hepatology | 2008-2009 | Regional grant for the opening of the CAIC-Cryocenter in Rosario, Argentina |
| • Several Invited Conferences around the World   | 2010-2013 | FP7 grant FLIP on NAFLD and NASH (acting research unit)                     |

Other Activities

- |  |           |   |
|--|-----------|---|
| • 1995-2003: President, Board of Trustees, Fondo Studio Fegato                                   | 2010-2013 | Telethon Grant on bilirubin neurotoxicity   |
| • 2008-: Scientific Director, Fondazione Italiana Fegato   | 2012-2014 | POR-FESR 2007-13 “Progetto industriale Medicina Molecolare”                                       |
| • 1998-: Referee and consultant officer for research grant at the Third World Academy of Science | 2013-2017 | NIH R01 grant on “Role of MIF in Alcoholic Liver Damage” – Coordination L Naghi, Cleveland Clinic |

Significant Grants (since 2002)

- |            |   |
|------------|---|
| 2002-2002: | PI of the National Project on ABC proteins in different diseases (Grant from Italian Ministry of Research)                        |
| 2003-2006: | PI of the National Project on genomic and proteomic aspects on hepatocellular carcinoma (Grant from Italian Ministry of Research) |
| 2005-2007: | PI of grant of molecular aspects of ABC proteins in hepatocellular carcinoma (Italian Association for Cancer Research)            |
